BECOME A WCJAX SPONSOR

WordCamps rely on the sponsorships of businesses like yours to keep our conference pricing affordable. The mission of WordPress is to "Democratize Publishing," and low-cost ticket prices are one way we further that goal.

Sponsoring a WordCamp is a great way to give back to the WordPress community, increase an organization's brand awareness, engage in conversations with potential users, and more. It is because of you and our volunteers that we are able to have WordCamp.
